

Letter of Undertaking

Date:

To,

UPS Express Private Limited

India.

Sub: Payment of Freight Charges.

Dear Sirs,

We _____ have read and understood the UPS Terms and Conditions of Carriage mentioned on the UPS waybill applied to all UPS shipment.

We also confirm that the shipment is sent on Freight Collect basis where the consignee is responsible for payment of freight charges, other charges and applicable duty to UPS in accordance with the UPS Published Tariff..

We confirm that we are authorizing UPS to ship the shipment to the consignee on their account as per the authority letter and/or email received from the consignee allowing UPS to send the shipment on account of the consignee.

Notwithstanding any of the above, we hereby confirm that we will be responsible for payment of all freight charges, any other applicable charges and applicable duties for the shipment to UPS in following events:

- In case if the consignee refuses to pay all freight, any other applicable charges and applicable duties to UPS after receipt of delivery of the Shipment on given address
- In case the consignee for any reason refuses to take the delivery of the shipment
- In case the shipment is Return to Sender (RTS), we would be responsible for payment of applicable freight charges from origin to destination along with other applicable charges and duties.

We understand that the reversal freight collect are based on the import rates which may be differ from the local rates.

We assure to pay above charges within seven (7) days of receipt of intimation from UPS

Thanking you,
